were constrainedly picked up by the government security forces from their camp where they transferred to unidentified prison centre. Therefore, OSGA intensely concern for their physical and mental wellbeing. OSGA utterly believe these genuine Oromo refugees are forced to flee persecution and desperately search for safety and protection from violence and intimidation.

Therefore, OSGA kindly demands your urgent action to request the Somaliland government, (Interior Minister Authorities), to make the kidnapped Oromo refugees whereabouts known and to release them, and to provide you with assurances that the rest of Oromo refugees in the country are safe and are not facing any inhuman treatment.

Regarding this urgent matter OSGA appealing for your sympathetic action of instant intervention to uphold the Oromo refugees' human rights and looking forward to your kind-hearted immediate action. Please show your action instantly to save these very vulnerable innocent Oromo refugees' life in Somaliland.

Yours sincerely,

Oromia Support Group in Australia
