# OROMO RALLY MELBOURNE

The Oromo Communities in Australia would like to invite all Oromo individuals, friends of Oromos and human right activists to join us in Melbourne Australia to protest against killing, arresting and harassing Oromos and other oppressed nations and nationalities in Ethiopia.

Thousands of Oromos innocent people including those who were abducted from refugee camps in the neighbouring countries such as Kenya, Somalia, Djibouti and Yemen and brought back to Ethiopia without their will are subjected to cruel, inhumane conditions and suffering in Qaliti prison.

The faces of the persecuted Oromos.
